Due to unforeseen circumstances, we need to inform you of an important update. The Beaconsfield Arena will be closed for major renovations until summer 2025. Additionally, the MacDonald Arena will be undergoing repairs and will not be available until at least December 2024, with the possibility of an extension to the work required.

As a result, we are faced with the challenge of hosting a smaller tournament for January 2025, to ensure that the quality of our event remains high and that all participants can have a fun and enjoyable experience. The Tournament is open to the following categories: Novice B & C, Atom B & C, Ben B & C and Cadette B.
